

“Advanced products and solutions for a better environment”

Aeration Industries International, Inc.

Bridge mounted and floating aerators/mixers, SBR and DAF systems

AIRVAC

Vacuum Sewer Collection Systems, Packaged Valve Pits and Vacuum Stations

Analytical Technology, Inc.

Continuous Water Quality Analyzers and Gas Detection Systems

CLA-VAL

Automatic Control Valves

Danfoss

Variable Speed Drives, Harmonic Filters, and Soft Start Motor Starters

Entech Design, Inc.

Interface Level Analyzers and Filter Media Expansion Analyzers

Metso

Total Solids Concentration Meter/Transmitter

Moore Industries

Signal Isolators, Signal Converters, Power Supplies, Indicators, and Alarm Trip Units

RACO

Automatic Remote Dialing Alarm Systems, Wireless Web-based Alarm Monitoring and Notification Systems

Real Tech, Inc.

Spectrum Series Analyzers, UV Water Quality Monitoring

Siemens

Level, Pressure, and Flow Sensors and Controls

Southwest Fluid Products, Inc.

Packaged Wastewater Treatment Plants, Field Erected Water/Wastewater Plants, Steel Internals and Equipment for Concrete Plants
