

Gas Detection and Water Analysis Monitors

Resilient and Metal Seated AWWA Gate Valves

Flood Protection Systems-Removable Floodwall

High Performance Butterfly, Control and Plug Valves

Online and Portable Monitors for Suspended Solids and DO

Cast Iron, Aluminum, Stainless Steel Sluice Gates, Telescopic and Mud Valves

Pressure Transmitters and Transducers

Cast Iron Epoxy Coated Stainless Steel Knife Gate Valves

Magnetic, Mass and Ultrasonic Meters

Pinch Valves-Automated or Manual, Knife Gates and Expansion Joints

Online Monitors and Analyzers of BOD, TOC, COD

Pressure Reducing, Altitude, Relief and Diaphragm Valves

Alarm Autodialing, Monitoring, Reporting and Control System

Patented TMS(Total Mixing System) and Duckbill Rubber Check Valves

Pressure Guages, Thermometer and Self Op Temperature Regulators

Air Release, Check, Plug and AWWA Butterfly Valves
